

CARIBBEAN DEVELOPMENT BANK

JOB OPPORTUNITY DIRECTOR, PROJECTS DEPARTMENT

The Caribbean Development Bank (CDB) is seeking to recruit a dynamic professional as **Director, Projects Department** to work at its headquarters located in Barbados.

The Director, Projects Department, is accountable for the management, pipeline development, appraisal and implementation, of the Bank's lending and Technical Assistance programmes in all the sectors in which the Bank operates. The successful candidate should have:

- Bachelor's and Master's Degrees in business administration, operations management or other related Social or Natural Science fields.
- Sound understanding of development financing, and the development challenges, opportunities and cultural nuances of CDB's Borrowing Member Countries, and the Region as a whole.
- Significant directly-related work experience with technical and management responsibility in the application of economic development strategy and policy in regional and/or international organisations. At least eight years' experience at a senior management level, with responsibility for managing and mentoring multidisciplinary teams of professionals.

Candidates must be nationals of one of CDB's Member Countries.

APPLICATIONS

Full details of the job opportunity, guidelines for the submission of applications and general information about the Caribbean Development Bank may be obtained from the Bank's website at <http://www.caribank.org>. The closing date for applications is **June 28, 2013**.

CDB is a multilateral development bank that collaborates with its Borrowing Member Countries to promote sustainable social and economic development, economic cooperation and regional integration.
